Fox Valley Chapter

The Fox Valley Chapter Institute of Packaging Professionals (IoPP) is in search of additional companies to place advertisements in our monthly newsletter. The money collected from the sale of your advertisement, would be used for the general expenses to keep our chapter in existence, along with sponsoring a student scholarship in the field of packaging.

We hope that you appreciate the value of our local organization, and that you would consider helping to support us by advertising in our newsletter. We will commit to electronic mailing a minimum of 10 issues per year to a minimum of 100 people, or a total of about 1000 mailings for a low cost of only \$100. Our newsletter also gets posted on IoPP National's website, exposing it to thousands of additional readers.

We realize that companies spend a tremendous amount of resources developing their websites, then struggle to get people to look at them. The links in our newsletter will help your website get more hits, resulting in more business. We realize that not all of our advertisers have a website and apologize for that. Our advertising spaces will also include the most important information about your company (i.e. contact info, type of goods and services sold, etc).

Please fill in the information in the spaces below and send this back to me with a payment of \$100. Checks should be made payable to Fox Valley IoPP.
