Greetings to all FV IOPP Members, Supporters and Friends!

Happy Fall! I am hoping that this finds you all well.

We just hosted our third PackFest at Fox Valley Tech in Appleton and it was a great success. We saw many of you there visiting the exhibitors and listening to the presenters. I was our hope that everyone came out with new knowledge of Packaging and interest in the local Packaging companies. We collected \$80 and two boxes full of food to donate to the local Salvation Army; thank you all for your donations. If you attended PackFest we would appreciate any feedback you could give us. Please feel free to drop us an email with any comments or suggestions for next time.

On the agenda for November is a Chapter Board Meeting. If you are interested in getting more involved in the chapter please come join us Tuesday November 6th. We will be meeting at Chili's in Appleton (by the Mall). The meeting will begin at 5:30pm and we will be ordering dinner at that time. We will be reviewing PackFest and planning for upcoming events. Please email if you plan on attending so we can get a feel for how many people we will be expecting, though you can show up the night of and we won't mind.

Thanks again for all your support for the chapter. We look forward to seeing you at events in the future.

Fox Valley Chapter

The Fox Valley Chapter Institute of Packaging Professionals (IoPP) is in search of additional companies to place advertisements in our monthly newsletter. The money collected from the sale of your advertisement, would be used for the general expenses to keep our chapter in existence, along with sponsoring a student scholarship in the field of packaging.

We hope that you appreciate the value of our local organization, and that you would consider helping to support us by advertising in our newsletter. We will commit to electronic mailing a minimum of 10 issues per year to a minimum of 100 people, or a total of about 1000 mailings for a low cost of only \$100. Our newsletter also gets posted on IoPP National's website, exposing it to thousands of additional readers.

We realize that companies spend a tremendous amount of resources developing their websites, then struggle to get people to look at them. The links in our newsletter will help your website get more hits, resulting in more business. We realize that not all of our advertisers have a website and apologize for that. Our advertising spaces will also include the most important information about your company (i.e. contact info, type of goods and services sold, etc).

Please fill in the information in the spaces below and send this back to me with a payment of \$100. Checks should be made payable to Fox Valley IoPP.
