Greetings to all FV IoPP Members, Supporters and Friends!

Happy New Year!

I hope this finds you all well in 2008. We are in full swing for another great Fox Valley IoPP year!

Please join us for a general chapter meeting on February 12th. Please feel free to come and share in the planning of our chapter! See attached notice for information.

We are working on getting together our points for Chapter of the year. We would love to win for the Third year in a row! But, we need your help. Please see the list below, and email Ed Solheim if you think you could help us earn points with something.

To give you an example of the kinds of things that count toward points for our Chapter:

1. Did you author or co-author packaging articles for a publication?
2. Lecture at a career day or similar event?
3. Were you a speaker for an allied industry organization meeting?
4. Are you serving on a IoPP National Council or Technical Committee?
5. Are you serving on an allied industry organization technical council?
6. Did you have a entry in the Ameri-star or any other packaging competition?
7. Were you nominated for an Annual Award such as the College of Fellows?
8. Were you inducted into the Packaging Hall of Fame or Pi Alpha Kappa Society or other such honor related to the packaging industry?
9. Were you responsible for getting new Individual, or Corporate Memberships?
10. Were you responsible for signing or renewing an IoPP Benefactor?

Fox Valley Chapter

The Fox Valley Chapter Institute of Packaging Professionals (IoPP) is in search of additional companies to place advertisements in our monthly newsletter. The money collected from the sale of your advertisement, would be used for the general expenses to keep our chapter in existence, along with sponsoring a student scholarship in the field of packaging.

We hope that you appreciate the value of our local organization, and that you would consider helping to support us by advertising in our newsletter. We will commit to electronic mailing a minimum of 10 issues per year to a minimum of 100 people, or a total of about 1000 mailings for a low cost of only \$100. Our newsletter also gets posted on IoPP National's website, exposing it to thousands of additional readers.

We realize that companies spend a tremendous amount of resources developing their websites, then struggle to get people to look at them. The links in our newsletter will help your website get more hits, resulting in more business. We realize that not all of our advertisers have a website and apologize for that. Our advertising spaces will also include the most important information about your company (i.e. contact info, type of goods and services sold, etc).

Please fill in the information in the spaces below and send this back to me with a payment of \$100. Checks should be made payable to Fox Valley IoPP.
