Stout Ale House

After the UW Stout
Packaging Lab tour

Did you remember to turn your clocks back an hour? Or is it ahead an hour? No... it's definitely back! We hope you enjoyed your extra hour of sleep!

Last month, a few of us were able to make the trip to UW Stout in Menomonie to tour the Packaging Lab. We were welcomed by the IoPP Student Board Members, who demonstrated some of the machinery in the materials and testing labs. Following the tour, we had even more students join us for a Question & Answer session, and they were interested in learning what the future may hold in the professional world. We stressed the importance of networking and keeping an open mind, as well as having confidence and initiative when applying for jobs. We hope they gained as much as we did from the event! After the tour and Q&A session, we headed up to the Stout Ale House for an early supper and networking opportunity. Thank you to all the students and faculty who helped organize and host the tour and event! Also, Congratulations to our 2 door prize winners – **Christopher Fruit** and **Cody Stanton**, who are both Stout students.

Welcome **Pam Shroeder** to our Membership Chair position! Thank you for volunteering your time and talents to help the Chapter! If you have any questions or ideas for Pam, please feel free to contact her (see officer information below).

Be sure to mark your calendars for our December Social Event!

Fox Valley Chapter

The Fox Valley Chapter Institute of Packaging Professionals (IoPP), is in search of additional companies to place advertisements in our monthly newsletter. The money collected from the sale of your advertisement, would be used for the general expenses to keep our chapter in existence, along with sponsoring a student scholarship in the field of packaging.

We hope that you appreciate the value of our local organization, and that you will consider helping to support us by advertising in our newsletter. We will commit to electronic mailing a minimum of 10 issues per year to a minimum of 100 people, or a total of about 1000 mailings for a low cost of only \$100. Our newsletter also gets posted on IoPP National's website, exposing it to thousands of additional readers.

We realize that companies spend a tremendous amount of resources developing their websites, then struggle to get people to look at them. The links in our newsletter will help your website get more hits, resulting in more business. We realize that not all of our advertisers have a website and apologize for that. Our advertising spaces will also include the most important information about your company (i.e. contact info, type of goods and services sold, etc).

Please fill in the information in the spaces below and send this back to me with a payment of \$100. Checks should be made payable to Fox Valley IoPP. The remittance form below and payment must be returned by Friday, 2/13/09 in order to make it in the February newsletter. Issues start February 2009-December 2009.
