Chapter News

Congratulations again to **Ian McClaire, CPIT**, who was presented with our UW Stout Scholarship donation on September 16th during the Scholarship Reception. We wish you the best, and we hope for the opportunity to see you at an upcoming Chapter event.

The Fox Valley Chapter has recently purchased a copy of the **Fundamentals of Packaging Technology—4th Edition** to loan to current members wishing to take the CPP certification test. If you would like to borrow the book while taking your certification test, please contact our Education/Certification Chair, Sean Lemerand.

The results are in, and the great news was announced at the Annual Leadership Conference—the winner of the **Chapter of the Year** (Small Chapter) is the **Fox Valley Chapter!!!!** Our highest scoring category was Meeting/Event Attendance, and we also raked in points for Attendance at National Affairs and getting all our reports submitted to National on time. Thank you to all Fox Valley Chapter members!!

Description:

Green Bay Packaging's Mill Division was built in the 1940s as a 100% virgin corrugating medium mill, which utilized the newly developed NSSC pulping process. As early as 1957 the first recycled fiber was incorporated into the raw material mix, and it increased to 50% in the late 1980s. Between 1989 and 1991, the facility was completely redesigned, rebuilt, and converted to a state-of-the-art 100% recycled linerboard mill.

The current capacity of the Green Bay Mill is 220,000 tons per year. Products include 100% recycled linerboard in basis weights from 26# through 47#/msf, and Eco-Stack™ High Performance Board in 36# and 62#/msf basis weights.

Following the tour, we will continue right down the road to Titledown Brewery for a brief Chapter Meeting and Networking Supper.

Newsletter Advertisement

The Fox Valley Chapter of IoPP (Institute of Packaging Professionals) is in search of advertisers in our monthly newsletter. The money collected from the sale of your ad would be used to sponsor student scholarships in the field of Packaging. We contribute \$2000 annually to UW Stout and Fox Valley Technical College, and we hope to continue for many years to come.

Please consider giving your support to the Fox Valley Chapter by purchasing a newsletter advertisement. We will commit to electronically mailing a minimum of 10 issues per year to a minimum of 100 people, or a total of about 1000 mailings for a low cost of \$100. Our mailing list is constantly growing, and the newsletter also gets posted on IoPP National's website, exposing it to thousands of additional readers.

We realize companies spend a tremendous amount of resources developing their websites, but then struggle to get traffic to them. When you purchase an ad in our newsletter, we will help your website get more hits by placing a hyperlink in your ad, so readers can be taken directly to your site with a simple mouse-click. Our advertising spaces will also include the most important information about your company, including contact information, mailing address, type of goods/services provided, etc.

To purchase a newsletter advertisement, simply fill in the information below and send with a payment of \$100 to Brenda Halama. Checks can be made payable to Fox Valley IoPP and sent to:

**Fox Valley Chapter IoPP
Brenda Halama
5320 Fuller Street
Schofield, WI 54476**

Payments can also be made through our on-line payment center at www.foxvalleyiopp.org/payments.

I look forward to working with you! Your support is greatly appreciated.
