## Chapter News

We want to welcome **Brittany Sullivan** as our new Program & Events Chair! We hope to get her acclimated to her role in the very near future.

Thank you to Kyle Karsten for the excellent presentation at **Birds Eye Foods!** We were able to hear about the great Clarence Birdseye and get an understanding of how Birds Eye Foods has continued to thrive today. Following the presentation, we continued to Lambeau Field for supper.

The UW Stout Scholarship Reception is scheduled for this Thursday, September 16th, where we will be presenting **Ian McClaire, CPIT** with a \$1000 scholarship. He plans to graduate in December 2011 with a B.S. in Packaging with an emphasis in R&D, as well as a Minor in Sustainability. He has already completed 2 internships (Kimberly-Clark and MillerCoors), and he aims to maintain a 4.0 GPA. Congratulations! And keep up the great work, Ian!

The Fox Valley Chapter has recently purchased a copy of the **Fundamentals of Packaging Technology—4th Edition** to loan to current members wishing to take the CPP certification test. If you would like to borrow the book while taking your certification test, please contact our Education/Certification Chair, Sean Lemerand.

Our Chapter of the Year points have been submitted, and they totaled 15,100 points! Hopefully that will put us in the running for a chapter award.

#### Description:

Green Bay Packaging's Mill Division was built in the 1940s as a 100% virgin corrugating medium mill, which utilized the newly developed NSSC pulping process. As early as 1957 the first recycled fiber was incorporated into the raw material mix, and it increased to 50% in the late 1980s. Between 1989 and 1991, the facility was completely redesigned, rebuilt, and converted to a state-of-the-art 100% recycled linerboard mill.

The current capacity of the Green Bay Mill is 220,000 tons per year. Products include 100% recycled linerboard in basis weights from 26# through 47#/msf, and Eco-Stack™ High Performance Board in 36# and 62#/msf basis weights.

Following the tour, we will continue right down the road to Tiletown Brewery for a brief Chapter Meeting and Networking Supper.

## Newsletter Advertisement

The Fox Valley Chapter of IoPP (Institute of Packaging Professionals) is in search of advertisers in our monthly newsletter. The money collected from the sale of your ad would be used to sponsor student scholarships in the field of Packaging. We contribute \$2000 annually to UW Stout and Fox Valley Technical College, and we hope to continue for many years to come.

Please consider giving your support to the Fox Valley Chapter by purchasing a newsletter advertisement. We will commit to electronically mailing a minimum of 10 issues per year to a minimum of 100 people, or a total of about 1000 mailings for a low cost of \$100. Our mailing list is constantly growing, and the newsletter also gets posted on IoPP National’s website, exposing it to thousands of additional readers.

We realize companies spend a tremendous amount of resources developing their websites, but then struggle to get traffic to them. When you purchase an ad in our newsletter, we will help your website get more hits by placing a hyperlink in your ad, so readers can be taken directly to your site with a simple mouse-click. Our advertising spaces will also include the most important information about your company, including contact information, mailing address, type of goods/services provided, etc.

To purchase a newsletter advertisement, simply fill in the information below and send with a payment of \$100 to Brenda Halama. Checks can be made payable to Fox Valley IoPP and sent to:

**Fox Valley Chapter IoPP  
Brenda Halama  
5320 Fuller Street  
Schofield, WI 54476**

Payments can also be made through our on-line payment center at [www.foxvalleyiopp.org/payments](http://www.foxvalleyiopp.org/payments).

I look forward to working with you! Your support is greatly appreciated.
